TD Bank joins park as partner

Do you have any account at any TD Bank? Or are you thinking about opening an account? We hope so, because TD Bank is now a partner of the Falmouth Dog Park and thanks to the bank, you can help the park at NO COST TO YOU!

TD Bank will make an annual contribution to the Park based on the activity of all participating members' TD Bank accounts. Checking, savings, money market, CDs and retirement accounts are all included. If you have an account, just mention to a TD representative that you want your account linked to the Falmouth Dog Park

Affinity Program code number AF124. If you open a new account, make sure it is linked as well. That's all there is to it! TD Bank takes care of the rest.

For each new checking account, the Park receives \$50. For each existing checking account, the park receives \$10 each year!

Contributions are calculated at 1/10% on savings, money market, CD and IRA balances.

Members' accounts are not affected in any way by this contribution. Your account balance simply determines the level of the contribution and is kept confidential by the bank.

Commemorative Tiles Available

Beginning May 5th we will offer a special opportunity. Thanks to the creative work of Tessa Morgan of Flying Pig Pottery in Woods Hole, we will offer seven inch square individualized ceramic tiles to be mounted on the bench and wall along the walkway into the Dog Park. This area, known as Cleo's Corner, faces the walkway and is highly visible. Tiles will be mounted on the wall one row at a time. Tile designs range from a tree, flowers, or a dog and even offer choice of breed. The artist is also willing to create a whimsical version of your pet from a photograph. You can purchase a tile to honor a person or pet, commemorate a special occasion, or memorialize one or the other. Wording choices are also

individualized. Cost of each tile is \$100. Approximately 150 tiles will be available on a first-come, first-serve basis. Samples will be on display at the May 5th birthday celebration at the park, on the website, and in a park display. Questions? Call 508-331-2929.
