Celebrating the Park's Fifth Birthday

Each issue we ask you all to help the park and we do need that help but this issue we want to celebrate the fact that on May 1 we will have been open FIVE YEARS providing a great time to dogs and their human side kicks! Wow! At our best estimate we have had considerably more than 100,000 dogs visit the park in that time and been able to grow from just a park for dogs to a park that serves all types of people as well, even those with no dogs! Each day, people and dogs of all ages come to the park, not only to let dogs play and get exercise, but for humans to see other humans, or to see dogs that they can't see and interact with otherwise. It is lots of fun to watch what the dogs do at the park, but also what the humans do!

Additionally, we have added more benches to take advantage of the great shade at the park, sidewalks that provide paths for dogs and exercise trails for humans, artwork that celebrates dogs and even a cat, a storage shed that helps us keep the park stocked with mutt mitts and garbage bags as well as our rakes and shovels and swimming pools, landscaping that cleans up the perimeter around the park and keeps the poison ivy at bay, a wonderful wall almost covered with great tiles celebrating so many pets and humans and special occasions, and soon our first solar light near the entrance gates so that people will be able to come to the park in the winter after work hours and when the day-

light hours are too short to let working people get their dogs some exercise. All of these improvements are funded by personal donations and a few grants that have made all this possible. We celebrate that it takes a village but that we have managed to maintain that type of support thanks to a hardworking Board of Trustees, a dependable team of stewards, and loyal patrons that understand they need to help when they can.

So five cheers for five years of success and fun at the park and a huge (or is it YUGE?!) cheer for all of you that make the park work every day all year long.

Please come celebrate with us at our upcoming events:

Ask A Vet night at the Hermann Room in Falmouth Library April 27 from 6:30 to 8 p.m. (free of charge);

Sunset Paws Cruise with Stage Door Canteen June 4 from 7 to 9 p.m. on the Island Queen (tickets \$25) and Brick Kiln Farm Days at Brick Kiln Farm Saturday June 18!
