

## APRIL NEWSLETTER

### STEWARDS

The Falmouth Dog Park depends on a group of volunteers who donate their time to keep the park safe and clean for our canine and human visitors. Each day, a Park Steward will visit the park and empty the waste containers and trash, sweep the concrete and bench areas, and insure that the park is clean. We are searching for more stewards to help out with the maintenance of the park! Typically, these responsibilities take 15-20 minutes for each visit, and stewards can decide how many visits you make in a month. Most Stewards volunteer for 1-2 days per month. If you are interested in joining our Steward team, contact President Barb Schneider at 508-331-2929.

### SELECTBOARD MEETING

Tune into the Falmouth Selectboard meeting at 7PM on May 10th to hear some great progress the park has made in the past 10 years. Visit [www.falmouthma.gov/393/Select-Board](http://www.falmouthma.gov/393/Select-Board) for more information or scan the QR code below.

### BUBBLERS

On April 14th, the park's bubblers will be turned on for our pups. We ask that if you chose to bring your own bowl, do not leave it behind as shared bowls can lead to the spread of diseases.

### NEW SIDEWALK!

On May 8th the park will be hosting a ribbon-cutting ceremony to reveal our new sidewalk called Mayne Street! This new sidewalk is in celebration of our 10th anniversary as a park.

### PLEASE PICK UP AFTER YOUR PUP!

Please make sure to pick up after your dog's business to keep our park clean. There are four waste stations located throughout the park. We encourage you to bring your own bags to clean up after your dog, but we do provide waste bags as well!

### NEW MERCHANDISE

Following the ceremony on May 8th, we will be selling our brand new merchandise celebrating our 10 year anniversary. This merchandise will showcase our 10 year logo so be sure to visit the park to see the new merchandise!

### KENNEL COUGH

Please make sure to have your dog vaccinated for Kennel Cough before visiting the park to prevent the spread of the illness.
